## About US

SINCE 1955, THE SUMNERS HAVE OWNED AND OPERATED MANAGED PRINT COMPANIES IN THE ST. LOUIS AREA. IN 2000 WE MOVED INTO THE MANAGED IT SERVICES ARENA AND HAVE PERFECTED OUR SERVICE OFFERINGS FOR THE PAST 14 YEARS. NOW WE HAVE A FULL SUITE OF MANAGED IT SOLUTIONS THAT ARE IDEAL FOR ANY BUSINESS.

We always recommend SUMNER GROUP to friends and business partners. Their service staff is top notch and always responsive, not to mention they are always willing to accommodate any needs we have in order to maintain security or other requirements.

## SMARTIT

Our SMARTIT keeps your IT systems up and running 24/7/365. Our team will support your IT needs by assessing, monitoring, and maintaining your IT environment with the superior service we have provided for 60 years to businesses similar to yours. Our customer service ratings cannot be beat!

## How does this help you?

- ✓ For a fraction of the price for one full time employee, you get our local team of engineers with diverse technological backgrounds as your IT staff
- ✓ We proactively maintain your systems to maximize your team's productivity
- ✓ Let your people get back to work and let us do what we do best, manage IT

# SMARTBackup

Our backup solutions utilize both on-site and cloud resources which offer the fastest recovery times in the industry. We can make sure that your data will be safe and accessible within a moment's notice from anywhere in the world.

## WHAT does this MEAN for you?

- ✓ Your data is safely backed up redundantly on both coasts and locally
- ✓ Your data is secure and encrypted with the standard used by US Government
- ✓ Your data is recoverable and accessible at any place and time
- ✓ Your business will recover from data loss disasters with little to no down time

"The SMARTIT service provided by SUMNER Group is the answer we were waiting for. They work closely with us to ensure we have the solutions in place to maximize productivity across all of our remote locations. 10/10 highly recommend!"

# SMARTCloud

Our line of cloud based solutions is a cost effective way of maintaining everyday business operations.

- ✓ SMARTMail - Cloud based email solution that ensures reliability and up-to-date platforms
- ✓ SMARTOffice - Cloud based office applications for day to day business operations
- ✓ SMARTInfrastructure - Desktops, servers, and storage in the cloud

# SMARTProject

Creating or upgrading to an efficient IT infrastructure is the basis for running your business. Our engineers have developed and created environments capable of meeting business needs. SMARTProjects are as simple as analyze, design & implement.

SUMNER GROUP INC. HAS RELIEVED US FROM OUR IT HEADACHES. THEIR PRE-PLANNING AND WORK TO IMPLEMENT SERVICE HERE IS WELL ORGANIZED AND GOES SO SMOOTHLY THAT OUR STAFF DOESN'T EVEN KNOW THAT WE CONSTANTLY IMPROVE OUR INFRASTRUCTURE. NOW WE HAVE A FULL ON-CALL STAFF THROUGH SGI THAT WE LOVE TO WORK WITH. HIGHLY RECOMMENDED!
