Dear Mr. Leidholdt,

This year the SWIC Foundation **awarded more than \$300,000 in scholarships** to deserving students. As a scholarship donor, we know you understand the importance of these awards and the impact that they have on the ability of students to pursue their educational goals.

Our success in increasing the number of scholarships and funds available to students is truly a testament to the community's support of SWIC and its commitment to education.

Please enjoy the enclosed letter(s) from your new recipient(s). Their excitement expressed when they are awarded a scholarship from someone who believes in their education and success is so rewarding.

Thank you for supporting students at Southwestern Illinois College and "Paying it Forward" with your scholarship gifts to SWIC Foundation. Students' dreams are becoming a reality because of you.

Sincerely,
