capital
expense!

Medicare payor reimbursement for facility at 70%

$\$3611 \times 70\% = \$2,527$ reimbursable under CAH reimbursement

Net cost monthly \$1,084 includes **ALL** ongoing support, parts/labor

"STL Communications has custom designed a program that provides Critical Access Hospitals a way provide their patients the benefits of the newest, best nurse call technology available, all without any capital expense. Utilizing CAH reimbursement makes the net monthly cost of STL's managed service affordable for any rural hospital." - **Ron Present, Advisory Partner and Healthcare Industry Group Leader at Brown Smith Wallace.**

"STL Communication's Total Nurse call solution has enabled our nursing staff to streamline patient care, reduce alarm fatigue, and promote a quiet environment." - **Carrie Miller, Chief Nursing Officer, Clay County Hospital**
